

A LITTLE BIT OF LOVE

[by Graham Kendrick // Arr. Craig McLeish]

A little bit of love goes a long long way
a little love, a little love

A little bit of love and I'm on my way
a little love, a little love

*** A long way but we'll get there together**
A long way but we'll get there soon
Along the way we can lean on each other
A little love goes a long long way
a little love, a little love *

A little bit of love and the sun comes shining
a little love, a little love

A little bit of kindness and someone's smiling
a little love, a little love

*** A long way but we'll get there together... ***

Little drops of rain can trickle down into a puddle then the_
puddles get together making streams that make a river.
The rivers fill the valleys with a roaring and the rushing, then the_
little drops of rain have made a wide, wide, wide, wide,
wide, wide ocean!

[A long way but we'll get there together
A long way but we'll get there soon
A long the way we can lean on each other
A little love goes a long long way] (x2)

A little love, a little love, a little love...
