

# **Be the Light**

*Written by Lea Morris*

## **Alto**

There is always a light, when we are ready to see it.  
There is always a light, when we are ready to be it.  
To see the light, to be the light,  
to raise our eyes in the dark of night.  
To climb this hill, together we will.

## **Soprano**

Shine your light in the darkness. Shine your light in the darkness.  
Light your bright heart burn out loud, and be a gift in the world

## **Tenor**

There is always light. There is always light.  
To see the light, to be the light, to shine.  
Climb, this hill we know we will be light.

## **Bass**

There is always light. There is always light.  
There is always light. There is always light.  
Climb, we will.
