

CAN TAKE MY EYES OFF OF YOU

Ooh ooh ohh... (da da da...) (x2)

You're just too good to be true
Can't take my eyes off of you
You'd be like Heaven to touch
I wanna hold you so much
At long last, love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off of you

Pardon the way that I stare
There's nothin' else to compare
The sight of you leaves me weak
There are no words left to speak
But if you feel like I feel
Please let me know that it's real
You're just too good to be true
Can't take my eyes off of you

I love you, baby
And if it's quite alright
I need you, baby
To warm the lonely night
I love you, baby
Trust in me when I say

Da da da da..

I love you, baby
if it's quite alright
I need you, baby in
the lonely night
I love you, baby will you
Trust in me...

dam da dam, dam dam da dam

Oh, pretty baby
Don't bring me down, I pray
Oh, pretty baby
Now that I've found you, stay
And let me love you, baby
Let me love you

Don't bring me down
Oh, pretty baby pray
Now that I've found you
Pretty baby stay

Love you baby
Let me love you
