

SING ABOUT THIS HARD TIMES (2003)

Peggy Seeger

[Chorus]

Sing about these hard times,
Sing all about these hard old times,
Sing about these hard times
When will the good times roll?

[V1]

I worked hard, I played my part
That's what I did right from the start
But these hard times are gonna break my heart
When will the good times roll? (chorus)

[V2]

Life gets harder every year
Those with the least have the most to fear
Those with the most they just don't care
When will the good times roll? (chorus)

[V3]

The big corporations how they've grown
Send the man down the road got hearts of stone
They worry my life like a dog with a bone
When will the good times roll? (chorus)

[V4]

How the world is ill divided
Those who work the most are the least provided
And when there's a war they want us to fight it
When will the good times roll? (chorus x2)

TAKE ME TAKE ME (Calipso)

-Original verses Holloway Choir-

>>> Take me take me
I am feeling lonely
Take me down to "Los Ríos" ...
but don't let my mother know!!! <<<

I am glad I'm back to singing
because covid knocked me out
now I'm here_I'm glad to know
that I can sing and can shout

I am sitting in the garden
with my back against the trees
and the sun is shining on me
but there's also quite a breeze

We went down to the south coast
and had cocktails on the beach
five or six I don't remember
now my friends are out of reach
