

WAKE UP (SING FOR WATER 2024)

[Nick Prater / Arr. Orbaum / Ed. Chapman]

Wake up, wake up, sky is singing
Morning star's a diamond set in gold
Quiet earth the tall trees springing
Their beauty is a wonder to behold

Wake up, wake up, sky is singing
Morning star's a diamond set in gold
Quiet earth the tall trees springing
Their beauty is a wonder to behold

Wake up, wake up, the sky is a-singing
The morning star's a diamond set in gold
And from the quiet earth the tall trees are springing
Their beauty is a wonder to behold
