[TENOR]

[Clap on 2 & 4 all the way]

Sleepy little village tucked away
in the hills of my childhood home
nothin' much doing but the fields and trees
and the countryside where we roamed

**[But hey now listen what's that I hear
it's a crazy kind of sound
It's coming from somewhere far away
it's electric and it's all about now!
It started right down in my dancing
feet and went right to my soul!
The day I discovered rock n roll Yeah!
The day I discovered rock n roll]**

Ah ah ah, ah ah, Ah ah ah, ah...
